**Please join us as Project
H.O.P.E. observes
National Homeless
Persons' Memorial Day
to reflect on the
homeless individuals
who passed away this
year, and the struggles
faced by homeless
individuals.**

The mission of Project H.O.P.E. is to improve the health and well-being of homeless persons and others in need within the greater Camden, New Jersey area by providing primary, preventive and related health care services. Project H.O.P.E. is unique in that it is the *only* provider of medical services specifically for the homeless in Camden County.
